OFELIA ARLOTTA AND ROSA BAZO FOUNDED THE architectural and interior design firm of Arlotta-Bazo & Associates, Inc. in 1990. The firm's philosophy is one of personalized and thoughtful attention to its clients' needs and visions. Best known for their elegant and classic designs, Arlotta and Bazo take pride in their firm's versatility for creating refined and sophisticated custom residences in a variety of architectural styles, from contemporary to French to Mediterranean. The designers and their team have helped create high-end custom homes, residential community developments and commercial projects all over the United States and Latin America. Arlotta-Bazo & Associates, Inc. blends its sensitivity for detail with scale and function for a unified design that is in harmony with each and every site. Its diversified and dedicated design and technical professionals are willing to work intimately with the firm's clients to achieve their objectives while adhering to budget and time restraints. Arlotta Bazo & Associates, Inc. is the recipient of several gold and silver Fame awards, and was named Best Custom Architects by Miami's *The SunPost*. License Nos. AA-C002115; IB-C000217

ABOVE: Coffered ceilings, arches and wall paneling accentuate the casual elegance of the family and breakfast areas. Clean lines and natural materials continue in the kitchen with the sleek look of wenge wood and stainless steel.

TOP LEFT: The master bathroom retreat serves as a space for quiet reflection. Clean lines and natural materials continue with the cascading sunken tub.

BOTTOM LEFT: A covered terrace features a summer kitchen and an outdoor sitting area. Comfortable wicker furniture offers traditional contrast to modern barstools.
